

TET

The Teacher Eligibility Test (TET) is a well-known Exam for candidates looking for Teaching Jobs in Government and Private Schools. TET Exam 2024 will be held for the positions of Primary Teacher (PRT), Trained Graduate Teacher (TGT), and Post Graduate Teacher (PGT). Candidates with prior teaching experience, as well as newcomers, are eligible to take the exam. There are many reasons why lakhs of students apply for TET Exam vacancies every year. First, teaching jobs offer good salaries, job security, and time off work. Second, teaching is a noble profession that allows candidates to be effective in the lives of young people. Third, the TET Exam is an easy exam to pass, making it accessible to many candidates.

TET Exam 2024 Overview

The Teacher Eligibility Test (TET) is a crucial examination designed to assess the eligibility and competency of aspiring Teachers. It serves as a benchmark for the Teaching Profession. The TET Exam is usually conducted by educational authorities or governing bodies at the State or National level.

TET 2024 Exam Date

The TET 2024 Exam Date has been announced by various State Governments. Knowing the TET Exam Date 2024 is important for aspiring candidates so that they can effectively plan and prepare for the exam. Specifically, candidates can allocate sufficient time for studying and revision and avoid any last-minute rush or confusion. In addition, candidates can complete the application process and acquire the necessary documents well in advance. For more information about the TET Exam Date 2024, refer to the above state-wise table.

National Level TET Exam 2024

The Central Board of Secondary Education (CBSE) conducts the Central Teacher Eligibility Test (CTET) twice a year. This offline eligibility entrance test is necessary for aspiring teachers who dream of a successful career in Government Schools in India. Bypassing the CTET, candidates can access prestigious Government Schools such as Kendriya Vidyalayas (KVS) and Navodaya Vidyalayas (NVS).

The CTET Exam 2024 has two papers: Paper 1 for candidates who want to teach classes I to V, and Paper 2 for candidates who want to teach classes VI to VIII. Each paper is a 2-hour long multiple-choice question (MCQ) test with 150 questions. There is no negative marking for incorrect answers.

TET Exam 2024 Conducting Body

The Central Board of Secondary Education (CBSE) is the primary conducting body for the Teacher Eligibility Test (TET). CBSE administers the Exam, maintains the database, guides other State Government Bodies on its conduct, and manages the syllabus. Through TET, Teachers are recruited for positions such as primary teachers

(PRTs) for classes I to V, postgraduate teachers (PGTs) for classes XI to XII, and trained graduate teachers (TGTs) for classes VI to X.

In addition to CBSE, several State Governments also conduct their own TET Exams. These exams are typically similar in structure and content to the CBSE TET Exam but may have different eligibility requirements and TET Syllabus. The TET Exam 2024 is a crucial step in the process of becoming a teacher in India. By passing the TET Exam, candidates demonstrate their knowledge and skills in the areas of pedagogy, child development, and the subject areas they wish to teach. This makes them eligible for appointment to teaching positions in Government and Private Schools across the country.

TET 2024 Exam Applicability

Once candidates have qualified for the TET Exam 2024, they can apply for teaching jobs in Government and Private Schools. However, they must still undergo the school's own recruitment process to be hired.

There are three levels of TET Exams:

- Primary Teacher (PRT): This exam is for candidates who want to teach classes 1-5.
- Trained Graduate Teacher (TGT): This exam is for candidates who want to teach classes 6-8.
- Post Graduate Teacher (PGT): This exam is for candidates who want to teach classes 9-12.

It is important to note that the TET Exam and teaching post level may differ per rules prescribed by respective State Governments. For example, some states may require candidates to have a master's degree in education to qualify for the TGT Exam.

Steps to Apply for the TET Exam 2024

Apply for the TET Exam 2024, you can follow these steps:

Step 1: First, you need to visit the official website of TET.

Step 2: Once there, you will find a registration link on your desktop, which you should click to reach the personal details page.

Step 3: After carefully completing the personal details page, you can submit your TET registration form.

Step 4: Next, log in with the registered user-id and password created during the previous stage. Once logged in, fill out the application form that appears on the screen.

Step 5: Make sure to upload all the necessary documents required for successful submission.

Step 6: Finally, save the form and then submit it. Pay close attention to the instructions and ensure you follow the process step-by-step for a smooth application experience.

TET Exam 2024 Application Process

The application process for the TET Exam 2024 varies from State to State, but candidates need to follow these steps:

1. **TET Online Registration:** Aspiring candidates must visit the official website of the respective state's conducting authority and complete the registration process. During this step, they must provide personal details, educational qualifications, and other necessary information.
2. **TET Application Form:** After successful registration, candidates must fill out the TET application form with accurate details. Additionally, they must upload scanned copies of relevant documents, such as educational certificates and identification proofs.
3. **TET Application Fee:** As part of the process, candidates must pay the prescribed application fee. This can be done online or offline, as specified by the conducting authority.

TET Exam 2024 Application Fee

The Exam Bodies prescribe the TET Exam 2024 Application Fee. The Application Fee needs to be paid separately for each paper.

TET Exam 2024 Subjects	
TET Paper 1 Subjects	TET Paper 2 Subjects
<ul style="list-style-type: none"> • Child Development and Pedagogy • Language I • Language II • Mathematics • Environmental Studies 	<ul style="list-style-type: none"> • Child Development and Pedagogy • Language I • Language II • Mathematics & Science or Social Studies

TET Exam 2024 Syllabus

The Teacher Eligibility Test (TET) is conducted in two phases for different classes. In Paper I, which is for classes I to V, the exam covers basic subjects; in Paper II, for teachers of Class VI to VIII, additional subjects are included. The TET Syllabus 2024 evaluates candidates' proficiency in various subjects related to teaching and education. It comprises the following topics:

1. **Child Development and Pedagogy:** This section evaluates candidates' understanding of child psychology, educational psychology, theories of learning, and teaching methodologies. Candidates are also assessed on their ability to apply these concepts to their own teaching practice.

2. **Language Proficiency:** Candidates are assessed on their language skills, including grammar, comprehension, and vocabulary, in both the first language and a second language (usually English). They are also evaluated on their ability to use language effectively in the classroom.
3. **Mathematics and Science (for primary level):** This section evaluates the candidates' knowledge of basic mathematical concepts, numbers, measurement, and the fundamentals of science. Candidates are also evaluated on their ability to apply these concepts to real-world problems.
4. **Social Studies (for primary level):** Candidates are assessed on their understanding of history, geography, civics, and social sciences. They are also assessed on their ability to use this knowledge to critically analyse current events.
5. **Mathematics and Science/Social Science (for upper primary level):** This section assesses the candidates' command over advanced mathematical concepts, scientific principles, and social science subjects. Candidates are also evaluated on their ability to apply these concepts to solve complex problems.

TET Exam 2024 Qualifying Marks

The TET 2024 Exam requires candidates to achieve the minimum qualifying marks based on their category. It is important to note that these are the minimum qualifying marks. Candidates who score higher marks will have a better chance of being selected for a teaching job. The actual TET Cut off 2024 marks for the TET Exam 2024 will be announced after the exam is conducted. The following table presents the TET Qualifying Marks for both reserved and unreserved category candidates:

Category	Qualifying Marks Percentage	Passing Marks (Out of 150)
General	Sixty percent	90
SC/ST/OBC	Fifty-five percent	82

TET Exam 2024 Selection Process

The TET Exam 2024 Selection Process begins with the release of the official TET Notification. The TET Exam 2024 Selection Process goes through the following stages:

1. **Release of official TET Notification:** The TET Notification is released by the State Government or the conducting body. This notification announces the commencement of the TET exam and provides valuable information such as the TET Eligibility Criteria, exam pattern, syllabus, and application process.
2. **Filling of TET Registration and Application Form:** After the notification is released, candidates can fill out the TET registration and

application form online. The TET Application Form must be filled out carefully and all required documents must be attached. The application fee must also be paid at this time.

3. **Issue of TET Admit Card:** Once the application process is complete, the authorities will issue the TET Admit Card to all eligible candidates. The admit card will contain essential information such as the candidate's name, exam date, time, and venue. It is important to carry the admit card to the exam centre on the day of the exam.
4. **Conduct of the TET Exam:** The TET Exam will be conducted on the specified date, as mentioned in the official notification, and indicated on the admit card. The exam will be held in two shifts: morning and afternoon. The exam will be a multiple-choice question (MCQ) based exam, with each question carrying one mark. There will be no negative marking in the exam.
5. **Declaration of TET Result:** After the completion of the exam, the results will be declared by the authorities. The results will be available online and candidates can check their results by logging into their account.
6. **Issue of TET Certificate:** Those candidates who successfully qualify for the TET Exam 2024 will receive their TET Certificate. The TET Certificate is a mandatory requirement for teaching positions in schools or educational institutions.

TET Exam 2024 score Validity

The validity of TET Exam 2024 scores varies depending on the Exam. The CTET Certificate is valid for a lifetime, while the TET Certificate is valid for 5 years. This means that candidates who pass the CTET Exam can apply for teaching jobs in any state, while candidates who pass the TET Exam can only apply for teaching jobs in the State in which they took the exam. It is important to note that these are the general validity periods for TET Exams Scores. The specific validity period for a particular exam may vary, so it is always best to check with the issuing authority.
